Continuation Sheet (PTOL-413B)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner left a telephone message with Martin Moynihan indicating that due to a typographical error in the previous Examiner's Amendment, a new Examiner's Amendment would be sent. This does not change the scope of allowed material or claims, it merely corrects a typographical error in the previous Examiner's Amendment. Martin Moynihan returned the phone call and left a message that he received the Examiner's telephone message and would be expecting the new Examiner's Amendment.
